

# Hicks Gun Cleaning Service

We can clean any rifle, shotgun or handgun. Our service consists of field stripping the firearm, cleaning the firearm (handguns and other parts small enough to fit in our sonic cleaning tank are cleaned in the sonic cleaner) lubrication and reassembly.

We will pick up firearms at your location and drop them off at your location when complete. Turn around is as quick as possible depending on volume. Turn around times can be estimated when you request the service.

Prices listed here are for village residents.

Handguns are \$25

Rifles and Shotguns are \$30

Multiple guns from one person at the same time will receive a \$5 per firearm discount.

We will accommodate special request for specific brands of lubrication for someone's firearm whenever possible. If you prefer a specific brand of cleaning and lubricating product please ask us if that brand is available prior to pickup.

Please feel free to contact me anytime with questions.
