

## The Villages Straight Shooters Club Meetings

VSS Club meetings are held on the 3rd Thursday of each month. Meetings begin at 6:30 pm and are held at the Sea Breeze Recreation Center.

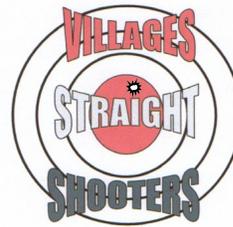

Meetings are normally one and a half hours long, ending at about 8:00 pm followed by time to socialize with other members.

Club business is covered at the beginning of the meeting followed by a presentation concerning items of interest such as:

- Concealed Weapons (Guns, Laws, etc.)
- Home Defense
- Shooting Techniques
- Personal Defense
- Firearm Care & Maintenance
- Range Safety
- Handguns (Glock, S&W, Colt, etc.)

The Villages  
Straight  
Shooters Club

A Club for Gun & Shooting Enthusiasts

# About the Villages Straight Shooters Club

KelTec SU-16D

## Mission Statement

This club is a social organization that brings together Villagers who have a common interest in collecting or shooting a variety of firearm types, for their own enjoyment, and who are interested in promoting the safe use of firearms in general. The club provides a forum for its members to share their enjoyment of firearms and shooting, and be a clearing house for information about shooting events in the Central Florida area.

The club may also provide or arrange for educational opportunities for shooters relating to firearm safety and licensing, firearms training, care and maintenance, and a social atmosphere where members can "talk guns & shooting" and other mutual interests.

Colt 1911

*An American Tradition*

## Member Education

The Straight Shooters club is fortunate to have members who are NRA certified to teach several classes of interest to club members. Classes will be scheduled periodically when there are several members interested in gaining a particular skill.

Classes covering the following topics are either planned on a regular basis or are scheduled as needed:

- Concealed Weapons License—FL
- Personal Defense
- Home Defense
- Range Safety Officer

## Club Shooting Events

The club periodically schedules shooting events at nearby gun ranges. Events vary from IDPA competitions, to steel shoots, and just plinking for fun. Every event will have club range safety officers present to ensure that all activities are conducted in a safe and fair manner.

The Club attempts to schedule at least one event per month and hopes to setup a regular "open" shooting time for club members at one or more ranges.

## Joining the VSS Club

No, being able to shoot straight is not a prerequisite for joining the club! Although, heeding the shooting tips available, and listening to the "old salts" in the club, you might get a lot better. You'll also learn about safe handling of firearms and the necessary care & feeding of your firearm to ensure that it functions properly, especially when you need it to!

Joining the club is quite easy. Go to the website at: [vssclub.org/join-the-club.html](http://vssclub.org/join-the-club.html) and complete the VSS Club Application form in addition to The Villages 2012 Recreation Release Agreement. And, oh yes, you must be a Villages resident to join.

Print the forms and bring them with the annual dues of \$20 to the next meeting. (Dues are prorated during the year so check the website for the current amount.) You will be provided with a temporary ID, that also serves as your name tag. Your permanent Club ID will be available at the following meeting. Your ID card must be shown at club events to get any discounts.

**Shoot Straight, Shoot Often!**
